

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Badovinac, Vladimir P.	PHD	Prof.	Pathology	T cell immunity in health and disease	Exec. Comm. Other Comm. Preceptor	3	3	3	0	2	2
Bishop, Gail A.	PHD	Prof.	Microbiology And Immunology	Molecular mechanisms of lymphocyte activation	Exec. Comm. PD/PI Preceptor	3	8	8	2	9	9
Burnett, Andean L.	PHD	Assoc. Prof.	Pathology	Targeting Inflammation and Immune Response for Head and Neck Cancer Therapy	Preceptor	2	4	3	0	0	0
Butler, Noah S.	PHD	Assoc. Prof.	Microbiology And Immunology	Immunoparasitology	Exec. Comm. Other Comm. Preceptor	3	2	2	2	0	0

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Cho, Josalyn L.	MD	Asst. Prof.	Internal Medicine	Influenza A infection, lung dendritic cells, T cells	Preceptor	1	0	0	2	2	2
Colgan, John D.	PHD	Assoc. Prof.	Internal Medicine	Regulation of lymphocyte development and function	Exec. Comm. Other Comm. Preceptor	0	3	3	0	0	0
Gurung, Prajwal	PHD	Asst. Prof.	Internal Medicine	Innate Immunity	Preceptor	1	0	0	0	1	1
Harty, John T.	PHD	Prof.	Pathology	T cell responses to infection	Preceptor	3	4	4	3	11	11

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Houtman, Jon C.	PHD	Assoc. Prof.	Microbiology And Immunology	Regulation of signal transduction in human T cells	Exec. Comm. Other Comm. Preceptor	2	5	5	1	1	1
Issuree, Priya	PHD	Asst. Prof.	Internal Medicine	Epigenetic mechanisms in differentiating T cells	Preceptor	1	0	0	0	0	0
Jabbari, Ali	MD, PHD	Assoc. Prof.	Dermatology	Autoimmune mechanisms of alopecia areata	Other Comm. Preceptor	1	0	0	0	1	1
Karandikar, Nitin J.	PHD, MD	Oth. Professor and Chair	Pathology	Neuro-immunology	Preceptor	2	12	11	3	10	10

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Klesney-Tait, Julia A.	MD, PHD	Assoc. Prof.	Internal Medicine	The regulation of neutrophil function	Preceptor	1	0	0	0	3	3
Legge, Kevin L.	PHD	Prof.	Pathology	Dendritic cell immunobiology and pulmonary immunity	Exec. Comm. PD/PI Preceptor	1	4	4	1	2	2
Lieberman, Scott M.	MD, PHD	Assoc. Prof.	Pediatrics	Immune dysregulation in T Cell-mediated autoimmunity	Other Comm. Preceptor	2	0	0	0	1	1
Mangalam, Ashutosh k.	PHD	Assoc. Prof.	Pathology	Gut microbiome in health and diseases, host-microbes interaction, immunopathogenesis of multiple sclerosis	Exec. Comm. Other Comm. Preceptor	3	0	0	3	0	0

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Manicassamy, Balaji	PHD	Assoc. Prof.	Microbiology	Influenza virus-host interactions	Preceptor	0	2	2	3	3	2
Maretzky, Thorsten	PHD	Asst. Prof.	Internal Medicine	TNF signaling & epidermal growth factor receptor activation	Preceptor	1	0	0	1	1	1
Maury, Wendy J.	PHD	Prof.	Microbiology And Immunology	Virus/host interactions	Preceptor	3	10	8	1	3	3
Morita, Craig T.	MD, PHD	Prof.	Internal Medicine	T cells	Preceptor	0	3	3	1	6	6

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Perlman, Stanley	MD, PHD	Prof.	Microbiology And Immunology	Coronavirus pathogenesis and immunity	Exec. Comm. Other Comm. Preceptor	2	5	5	5	5	5
Petersen, Christine A.	PHD	Prof.	Epidemiology	Immuno-parasitology	Other Comm. Preceptor	3	8	8	4	5	5
Pufall, Miles A.	PHD	Assoc. Prof.	Biochemistry	Transcription, steroid hormones, cancer	Preceptor	0	1	1	0	3	3
Radoshevich, Lilliana	PHD	Asst. Prof.	Microbiology And Immunology	Ubiquitin-like proteins in innate immune responses	Other Comm. Preceptor	3	0	0	1	0	0

**Table 2. Participating Faculty Members**

Name	Degree(s)	Rank	Primary Dept or Program	Research Interest	Training Role	Mentoring Record					
						Predoctorates			Postdoctorates		
						In Training	Graduated	Continued in Research or Related Careers	In Training	Completed Training	Continued in Research or Related Careers
Smith, Richard J.	MD	Prof.	Otolaryngology-Head And Neck Surgery	Hearing loss Complement-mediated kidney disease	Preceptor	5	12	12	2	14	13
Varga, Steven M.	PHD	Prof.	Microbiology And Immunology	Viral Immunity	Preceptor	2	6	6	0	1	1
Weber, Mary	PHD	Asst. Prof.	Microbiology And Immunology	Host-pathogen interactions	Preceptor	1	0	0	0	0	0
Weiner, George J.	MD	Prof.	Internal Medicine	Novel approaches to cancer immunotherapy	Preceptor	2	3	3	0	3	3
