Dear Ms. Klein:

The Office of Naval Research, Chicago has performed a limited Property Management System Analysis (PMSA) of the University of Iowa’s property control system. The PMSA, conducted on 01/25/2022 was performed in accordance with FAR and OMB requirements and within the guidance provided by the Engineering and Systems Review Branch, Office of Naval Research.

The objective of the PMSA was to ascertain the ability of University Of Iowa's property control system to protect, preserve, account for and control Government-owned property in their custody. The PMSA included various tests and analyses of the institution's internal management controls for property management, inventory procedures, reports, disposition activities and other areas as deemed necessary to perform the PMSA.

According to ONR records, the total value of ONR administered property at the University Of Iowa as of 01/04/2022 is $22,160.00. The property is distributed as follows:

<table>

<tr>
<th>DOD</th>
<th>NASA</th>
</tr>
</thead>
<tbody>
<tr>
<td>$22,160.00</td>
<td>$0.00</td>
</tr>
</tbody>
</table>

The previous PMSA was conducted on 08/01/2021. As a result of this review, the institution was notified of the following findings. The FY 2021 PMSA notes a previous finding related to annual and final property reports that were not submitted in a timely manner. Previous findings were adequately addressed and there are no current issues to report.

The University Of Iowa Property Policies and Procedures have been reviewed for completeness and have been found to be acceptable. The University Of Iowa recently
performed a physical inventory. The inventory was performed in accordance with their approved policies and procedures. There were no deficiencies identified during the physical inventory. Based upon the results of this PMSA and in the judgment of the Property Administrator, the property control system at the University of Iowa is compliant to protect, preserve, account for and control Government owned property.

Thank you for your assistance in this matter. If you have any questions, please contact me via email at michael.t.moschetto1@navy.mil
